Doctor Scallion's Travelling Players

Dr Scallion, a magpie of disrepute, leads his band of players all across the country, from Luneden in the South to Eeforwic in the North. Their plays are certainly a spectacle to behold. Recently they gained great esteem with their performance of *The Taming Of The Shrew* and now they are working on a new production- *Waiting For Doggo*.

The company is made up of Dr Scallion himself - writer, director, actor and as side line producer of wonder cures, ointments and tinctures.

Dodger (a black rat) actor, prop maker. NOT a pick pocket, honestly.

Fagin (a fox) actor and muscle - pulls the smaller van, never gets drunk and starts fights in taverns.

Sykes (a wildcat) actor, bouncer and muscle - not the brightest, but very useful.

Erin & Artemis - (Hedgehogs) Twins and gifted actors. Erin has a way with words, so much so that sometimes she leaves her audience spellbound. Erin is quickwitted and agile, she performs tricks with her bow and arrows.

Dr Scallion's Players could help or hinder your adventurers, they might start off friendly and end up being dangerous, or they might first appear dangerous and end up helping out - it's up to you.
