The Merry Beasts

According to the Sheriff of Anglia The Merry Beasts are a band of common outlaws and ruffians, but the poor see them as heroes.

Led by Brockin Hood, the Merry Beasts roam the wilds of Anglia from Yapping Forest near Lunden to the marshes of East Anglia. They will always try to help out unfortunate folk and bring some justice where it has been lost.

The Merry Beasts are -

Brockin Hood (a badger) brave and fearless, a great shot with his huge bow.

Maid Maryann, a badger, courageous and swift (for a big lass) Maryann fights with a fearsome sword.

Little Jan - A tiny mouse with a huge heart. A great shot with her bow and fierce with her tongue.

Scarlet Will- a red squirrel, nimble among the trees of the forest. Likes to ambush his enemies from above.

Friar Luck - a mole and priest of Moritasgan. Healer, teacher and friend.

The Merry beasts may be encountered as your characters travel. They might help or hinder, that is up to you.
