Fergus Grizzle

A fine old-fashioned fox . . .

Fergus is a veteran soldier, who fought in the first battle of Beamflect, and was right in the front line when the old white dam came down, as he never tires of telling people. There's more to him than a love of fine beer and war stories, though, and Fergus is a brilliant strategist and a wily swordsman.

Just don't get him started on the old white dam. Seriously, you'll be there all night.
